

What is Connecting Communities?

If there are no regular bus services to make your journey or you are unable to get to your nearest bus stop, Connecting Communities is able to collect and connect you. The service can be booked online or by phone and costs the same as it would on a bus.

For longer journeys, the service will connect you to other bus or train services.

Connecting Communities could be used for social, appointments, study, shopping or work (multiple bookings can be taken in advance).
